Night Club & After Hours FAQ's

How many people do I need for a tour?

To have your own BUS BUDDYS tour you need a minimum of 20 paying guests. If you are unable to organise 20 then another option is to pay for 20 people.

Do you mix or join groups?

BUS BUDDYS do not join groups.

How many nightclubs can we visit?

We generally visit 34 venues during the tour. However, we recommend that 3 venues would be ideal. That way you can spend anywhere from an hour to an hour and a half per venue and the night won't feel rushed.

What is your pick up time?

To ensure that you don't reach your first venue too early, we will pick you up between 7.30pm.

Do we have to return home on the bus?

If you're having fun where you are and don't wish to leave when the bus leaves that's OK. Please let us know as early as possible in the night.

Can we drink on the bus?

You're more than welcome to bring traveller drinks with you on the bus (please no bottles). These can be consumed to your first venue. Once we arrive, all remaining alcohol will be moved to the storage compartment of the bus. It will be returned to you on your trip home.

Are we able to stop for alcohol?

We do not stop for alcohol.

You should purchase any alcohol you wish to drink on the bus prior to boarding.

What time do we leave the city?

Departure from the city is generally between 1:30-1:45am

Is there a dress code?

All venues require a neat and casual dress code.

Do we have to pay an entry fee into venues?

No way! This is your night so entry to venues will be FREE.

What about ID?

We recommend that all guests carry a valid photo ID with them. Better safe than sorry.

Do we need to pay a bond?

Yes, you need to pay a bond to secure a booking. Your bond is returned to you at the end of the tour as long as there is no damage to the bus.

Can we choose venues?

Yes, you can request venues. Let us know prior to your tour and we'll try our best to include them on the night. The first venue will be chosen by Bus Buddys.
